

# Horny Night

*A Christmas Tale*

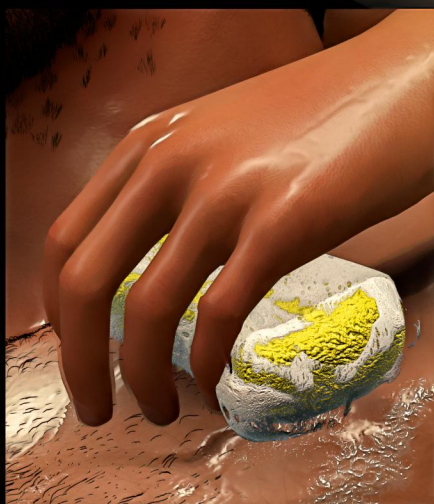

# Christmas Eve

not long before midnight

Like that...  
Relax...

You seem  
to have had a  
rough evening !

Want to talk  
about it ?

If you want ...

*I was on my way here. Night had already fallen and I just picked up a "damsel in distress" by the side of the road.*

Thank you for  
picking me up !

I couldn't leave you  
outside in this cold !

I'm so silly, forgetting to put  
gas in my car like that !

Bah.. we're all a bit  
absent minded sometime.

Is it mistletoe ?

Yes.

Why did you  
put here ?  
Is it to force  
Hitch hikers  
to kiss you ?

A man with dark hair and a beard is in the driver's seat of a car at night. A woman with blonde hair is in the passenger seat, looking at him. The car's interior is dimly lit, with a small Christmas decoration hanging from the rearview mirror.

*It's just to make things more festive.*

*So, you're into all that christmas stuff ?*

*Yes ! Why, you're not ?*

A close-up shot of the woman and man. The woman is looking at the man with a serious expression. The man is looking back at her.

*No. I hate it. All that phoniness disgusts me.*

*And the lying.*

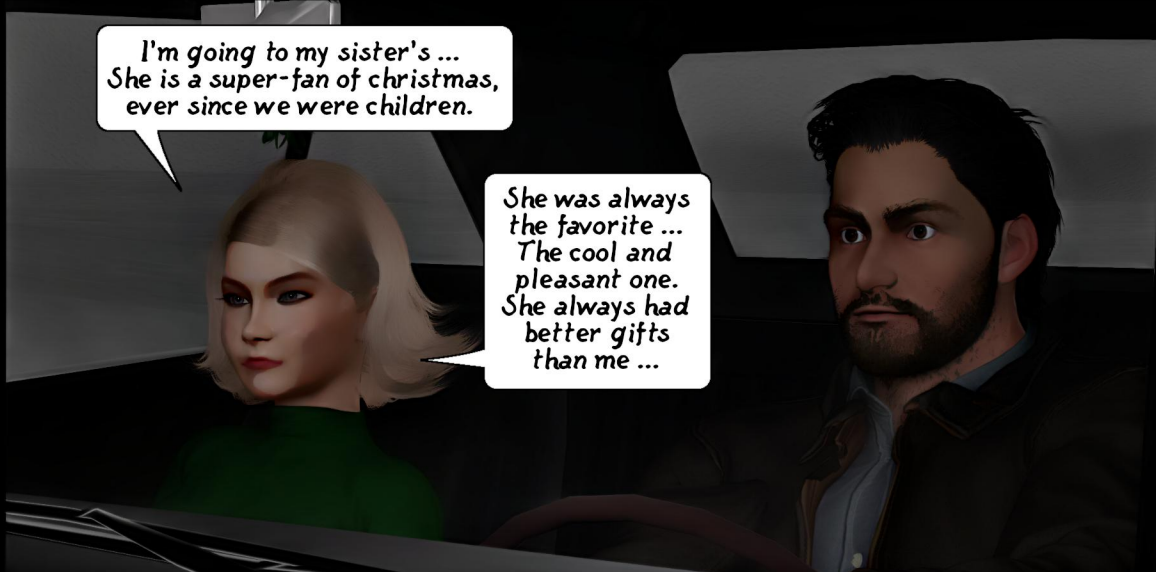

A very close-up shot of the woman's face. She has a thoughtful or slightly annoyed expression. Her blonde hair is visible around her face.

*Think about Santa Claus.  
The first thing we do to children born into this absurd world is lie to them.*

*And then you learn that your parents are Santa Claus, and the gifts lose all meaning.*

*I'm not like everybody else. I'm a bit of a grinch, I guess.*

*Well, you look pretty good in green !*

I'm going to my sister's ...  
She is a super-fan of christmas,  
ever since we were children.

She was always  
the favorite ...  
The cool and  
pleasant one.  
She always had  
better gifts  
than me ...

That's sad ... This should be a time  
to be happy with the ones you love...

Oh, but I'm happy being  
with you in this car.

In fact, I want to  
give you a gift  
to thank you for  
picking me up.

I thought you didn't  
like christmas ...

No, but i like gifts...

Oh, fuck ! What is this technique ?

I like what your tongue is doing !

Slow down a little, will you ?  
I can't ejaculate now, I need  
all of my cum for later.

No !  
I want it !

But...

No buts !  
this is MY  
present !

And I'm  
gonna  
get it !

FUUUCCCK !!!

Are you OK ?

Yeah, it's not a  
little roll over  
that will hinder  
my pursuit of  
fresh  
squeezed  
cum !

You're crazy, girl !

So, what next,  
fatal fellatrix ?

My sister's cabin is  
not that far. We can  
make it on foot.

Oh, the mistletoe  
survived !

Oh my god,  
you almost  
died !

Yeah. But that  
blowjob was  
almost worth it !

Oh Sir...Don't you  
like MY blowjobs ?

Of course I do, Rosa,  
And your titjobs even more,  
but you know... she had  
a secret technique...  
Like an ancient  
master of the art.

Oh, I see... So, what  
happened next ?

Well, after slurping all the cum she could,  
she helped me out the car and we went  
to her sister's cabin, like she said...

Here we are !

Oh, Mr Snowman !

What is that ?

It's just my sister, she's a little excentric, you'll see.

Oh, boy...

Come on, I'm dying to hop into that hot tub.

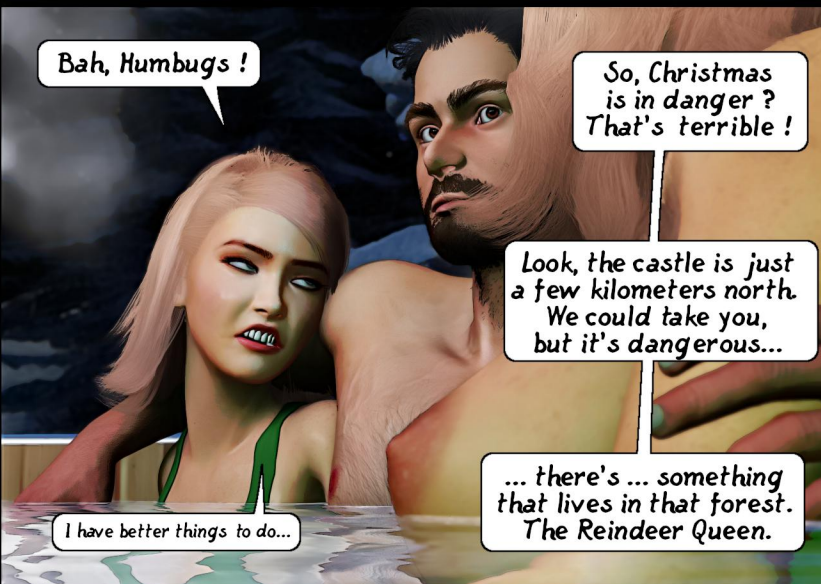

That's really nice, but I must find a way to get to the Falis castle.

Is it where your party is ?

Yeah, and I'm playing Santa Claus. If i'm not there by midnight, A lot of people will be disappointed.

Bah, Humbugs !

So, Christmas is in danger ? That's terrible !

Look, the castle is just a few kilometers north. We could take you, but it's dangerous...

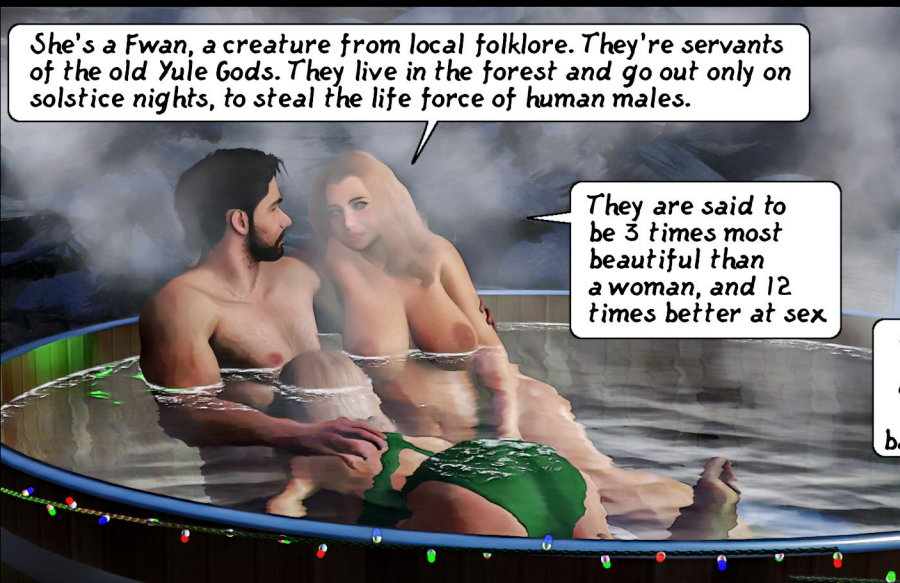

... there's ... something that lives in that forest. The Reindeer Queen.

I have better things to do...

The reindeer Queen ?

Yeah.

She's a Fwan, a creature from local folklore. They're servants of the old Yule Gods. They live in the forest and go out only on solstice nights, to steal the life force of human males.

They are said to be 3 times most beautiful than a woman, and 12 times better at sex

And you got one of those in your backyard ?

You crazy bitch !

Sorry, beefcake  
that's the rule !

What  
rule ?

You come to our cabin,  
we'll take your seed.

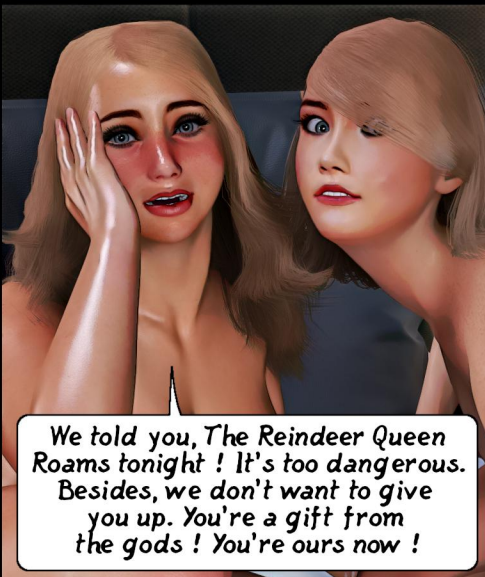

Crazy bitches..

Well now that you got what you wanted,  
Take me to the castle !

Sorry Mister Fleshman,  
that's not happening.

WHAT !?

We told you, The Reindeer Queen  
Roams tonight ! It's too dangerous.  
Besides, we don't want to give  
you up. You're a gift from  
the gods ! You're ours now !

Have fun with us ...

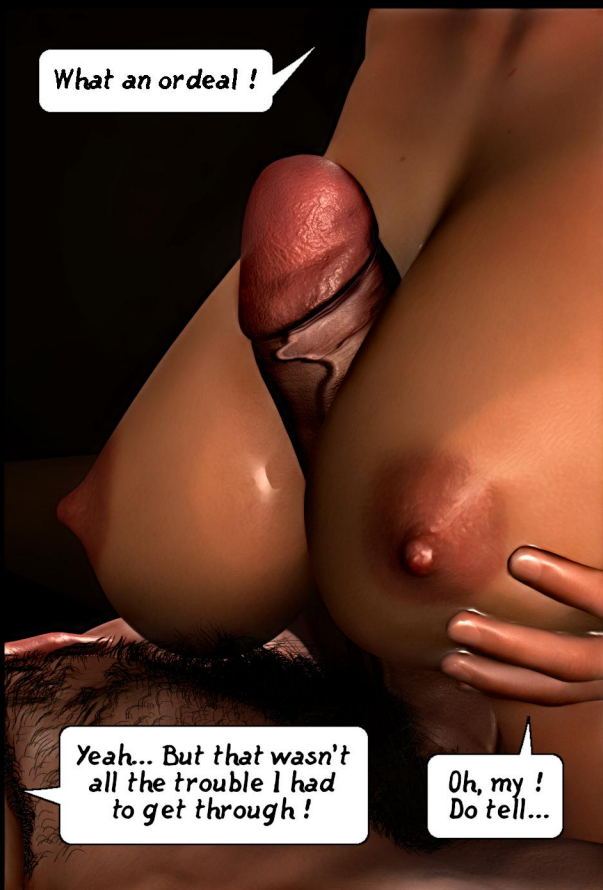

... fun ... fun ...

Wow girls,  
Take it down  
a notch,  
will you ?

Strange... A perfect  
christmas tree,  
right here ? This isn't  
even a pine forest...

FRUS  
SSSH  
HHHH

What is  
that  
noise ?

Hello ? Is  
somebody  
there ?

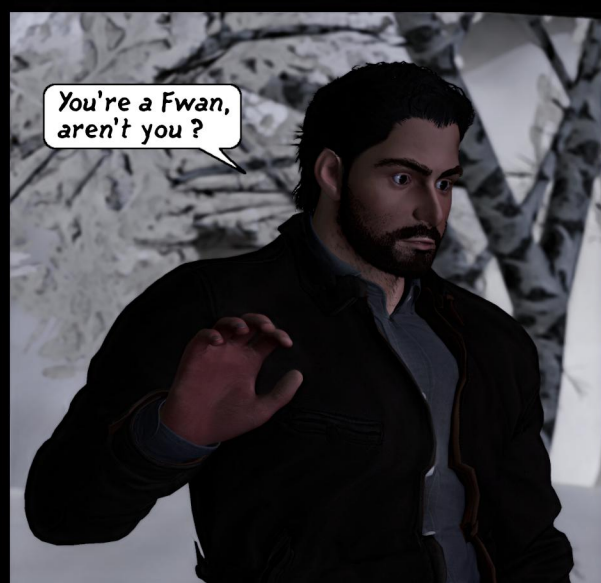

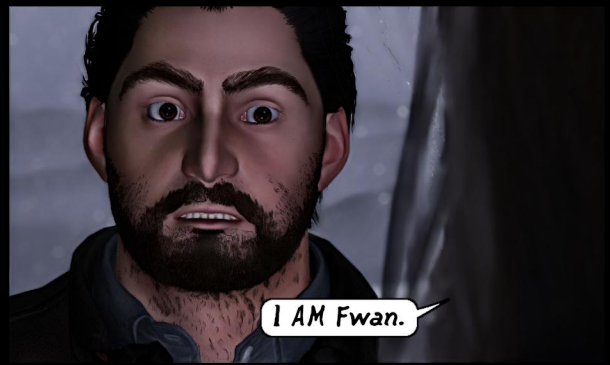

What the hell?

Come  
out ! I  
won't  
harm  
you !

The truth is he has an enormous sexual appetite.

The elves know this very well !

One day, he grew tired of fucking his faithful elves.

And so he turned to his other helpers ...

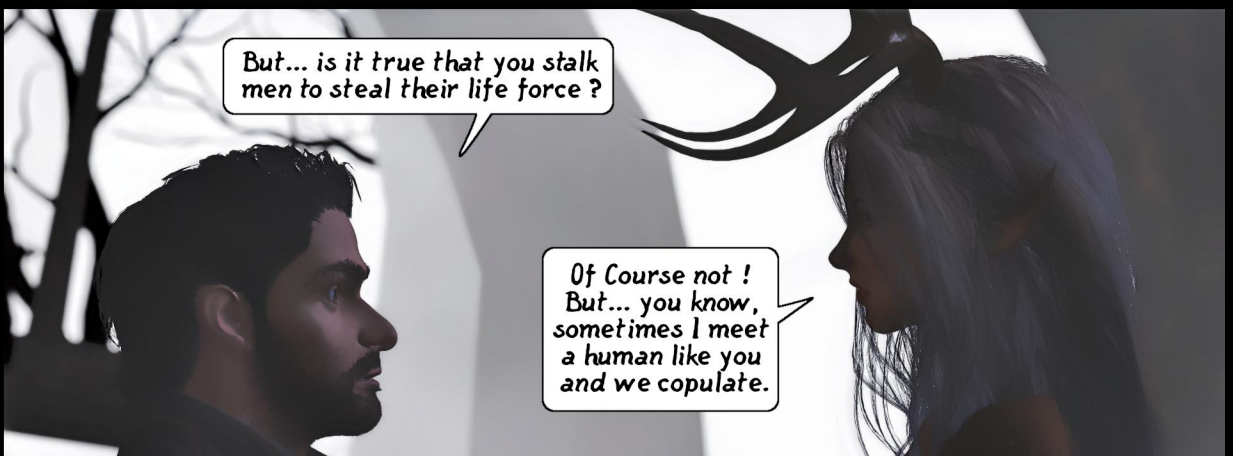

... The reindeers ! He went to the stables and fucked the most beautiful one, Vixen ...

... My mother.

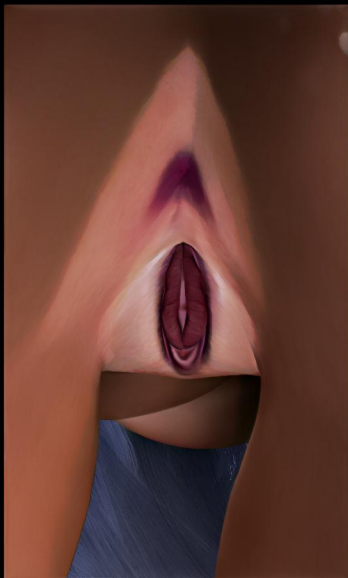

And thats how I was conceived.

That's... Pretty cool.

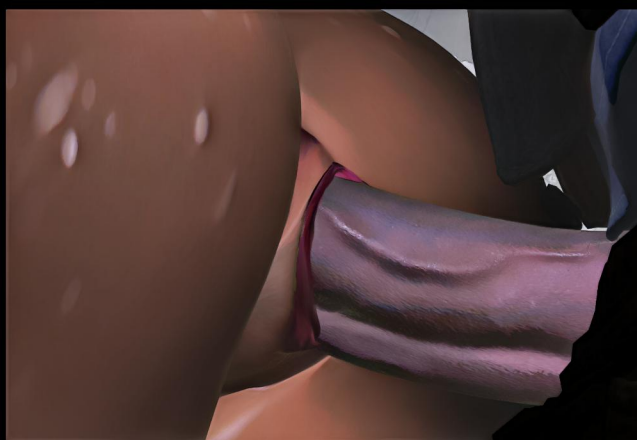

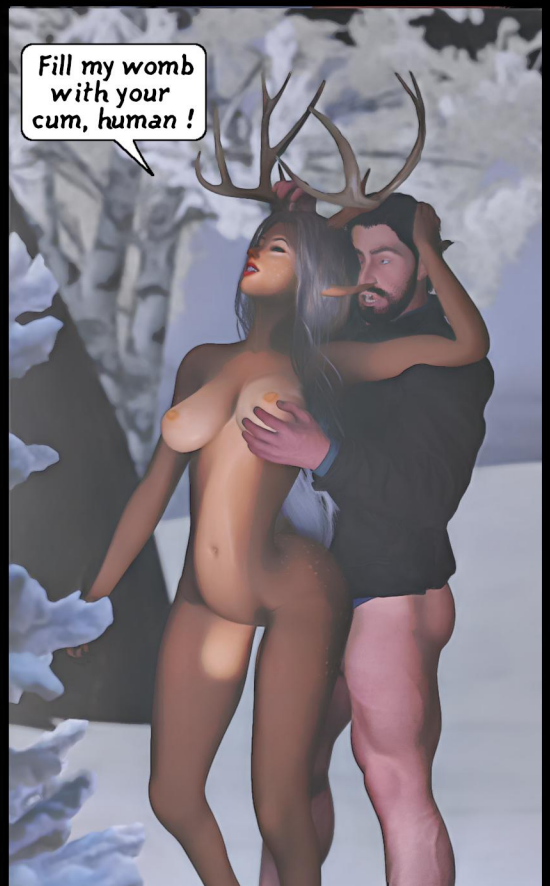

But... is it true that you stalk men to steal their life force ?

Of Course not ! But... you know, sometimes I meet a human like you and we copulate.

Here we go !

Thank you for  
the gift of  
your seed,  
human.

Now I'll give you  
a gift of my own.

My balls feel...  
fuller ?!!

Yes, I  
magically  
replenished  
your semen  
supply !

Wow !  
Cool !

Come on, now. I'll take  
you to where you need to be .

So I just... ride you ?

Yes ! Grab my  
antlers and  
let's go !

And as you can see, thanks to Santa's Daughter the reindeer woman, I made it out on time.

All done ! You're ready to spread christmas cheer !

Thank you Rosa, you're the best.

Right this way sir... I mean Santa !

Santa's here !

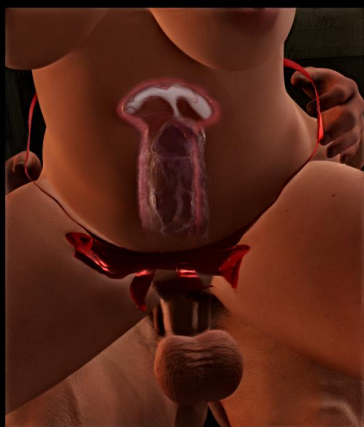

One saucy Brunette

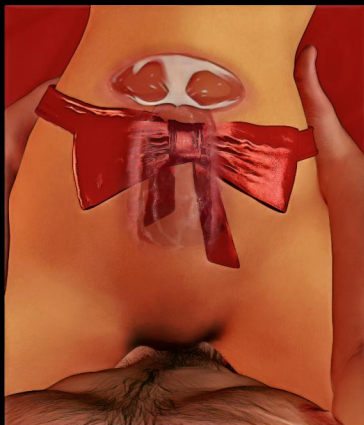

One big boobed goddess

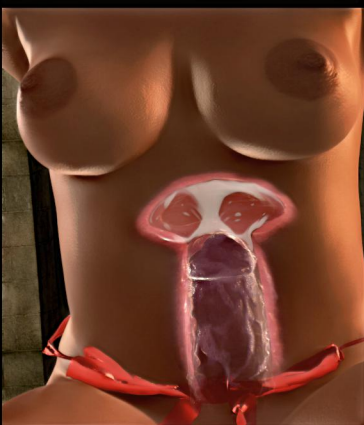

One horny shy girl

One crazy Grinch

One insane fangirl

And even the daughter of Santa !

*Six month later  
The Summer Solstice*

**THE  
END**
