

# SHOOT-OUT <sup>IN</sup> *Triangle* CLUB

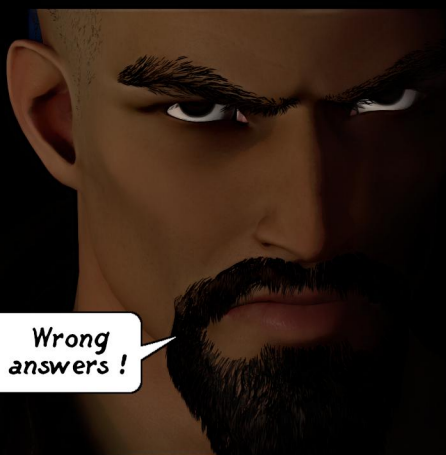

What the fuck are  
you doing here, bitch?  
I thought I told you  
this was MY territory !

Who the fuck is  
this loser ?

Fuck off,  
you're not  
my pimp.  
I suck dick  
wherever  
I want !

Wrong  
answers !

I'm gonna kill the both of you !

You know who I am,  
bitch? I'm the king  
around here !

Your majesty, Can  
I get dressed  
before you  
assassinate me ?

Hey, why are  
you holding your  
gun like a 90's  
cartoon gangster ?

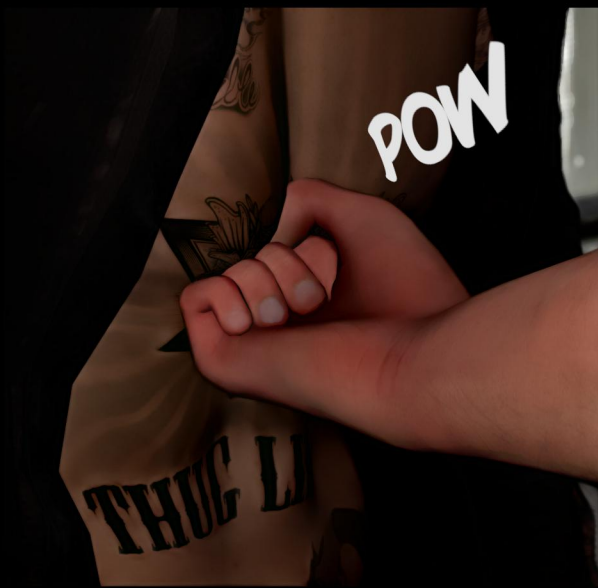

Is this better for  
you, Johnny Boy ?

Yeah, except, you know...  
My name's not Johnny.

And I'm not a boy !

Are you OK ?

That was amazing !  
But we're in deep  
shit now !

So he really is  
the "king"  
around here ?

Yes. And now you've  
humiliated him.

I see... Listen,  
Go to a hotel  
and keep this gun  
for protection.  
I'll join you  
in a few hours.  
I have to take care  
of a key witness,  
and I think it can  
put this guy  
in jail for  
a long time.

I'll go  
with you !

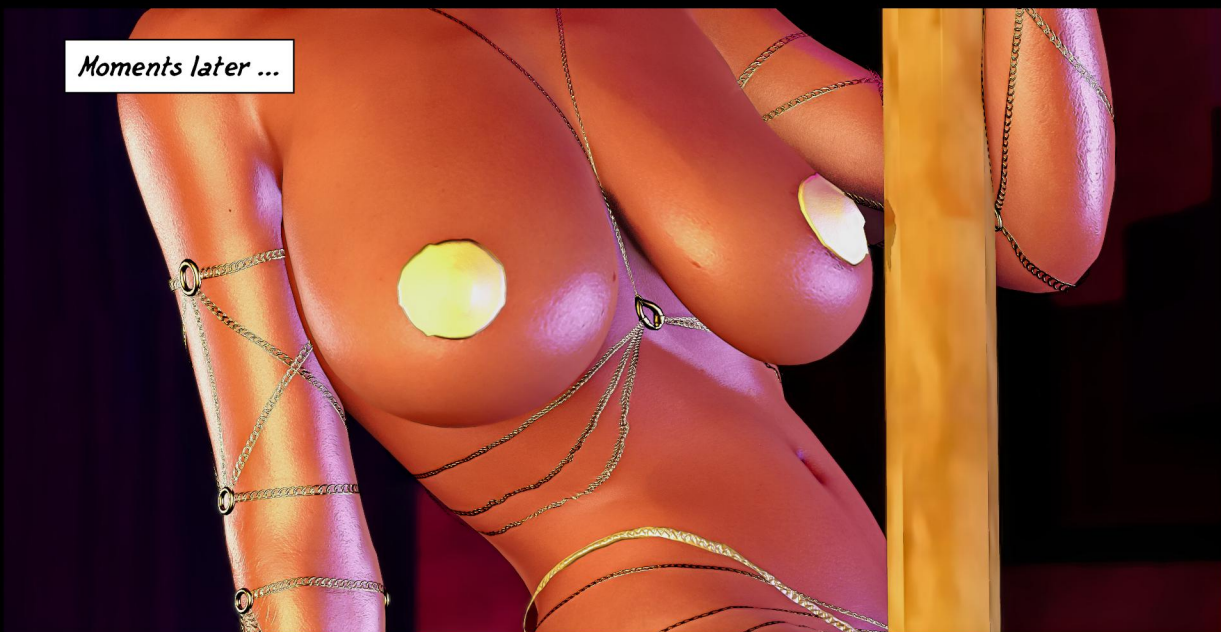

Too dangerous !  
Just Wait for me,  
I won't be long.

Fuck it,  
I'll follow  
him anyway.

*Moments later ...*

He's in here. He's watching Sasha.

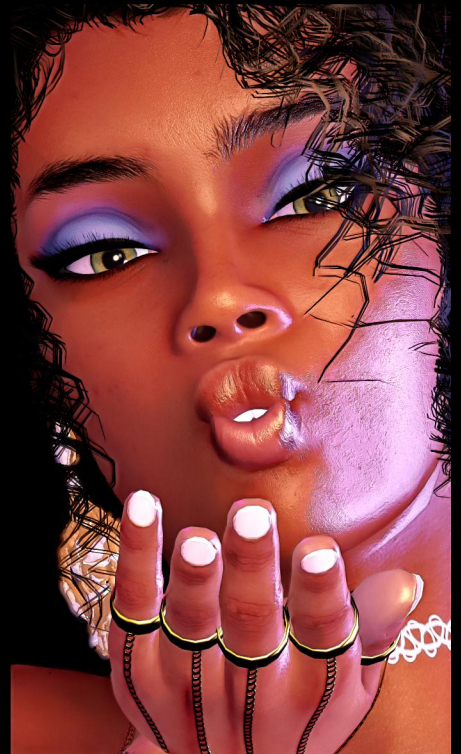

Good. make everyone leave and get out of here.

It's gonna get bloody in here ...

Good night, my darlings !

Do we have to go right away ?

Oh, no !  
Take all the time you need to get dressed !

... I had something else in mind ...

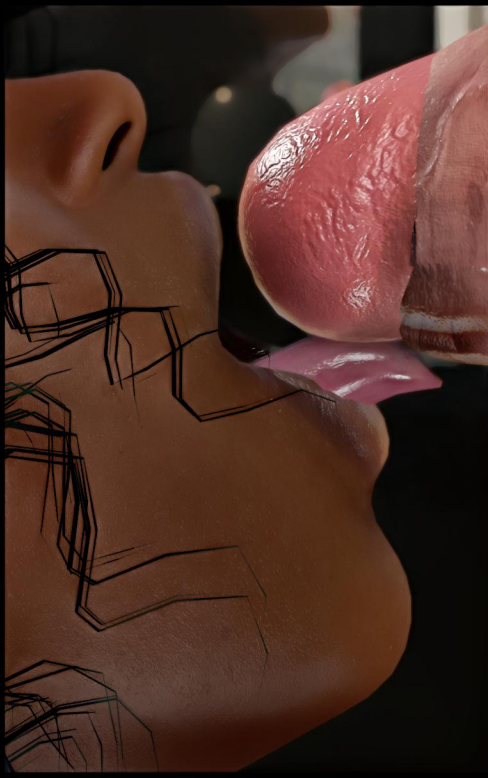

I'm always super horny after doing my show ...

... And you're just what I need !

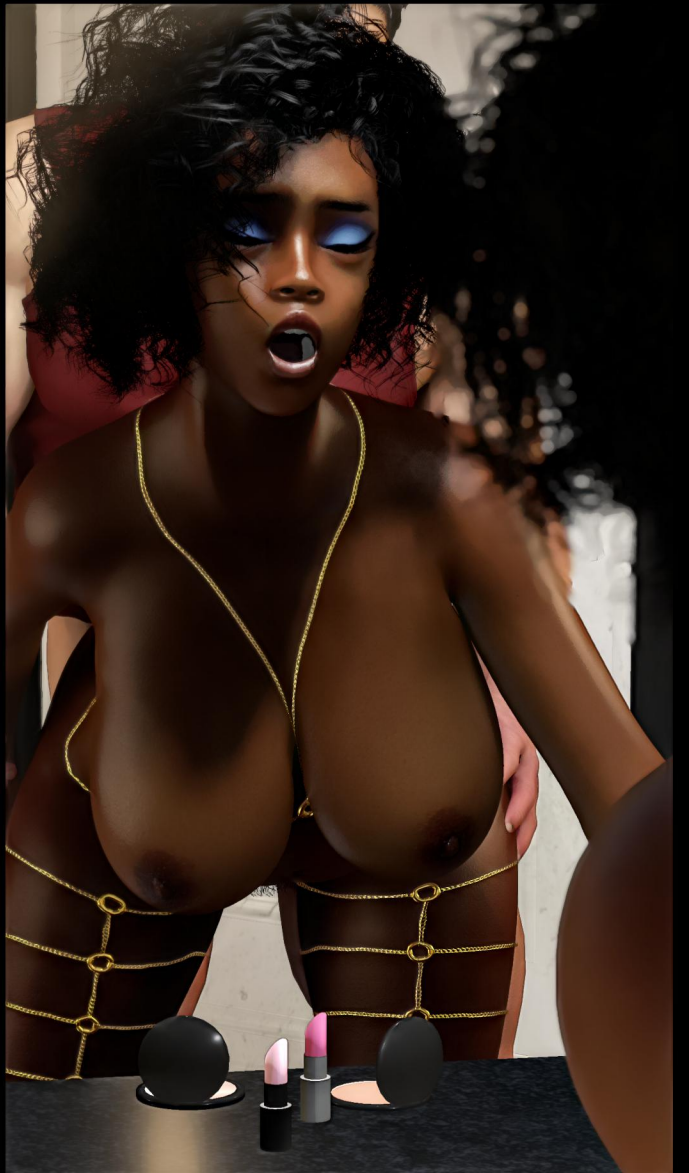

He's in the dressing room  
with one of the girls.

I want him dead.

What about  
the girl ?

Do what you  
want, but don't  
make a mess.

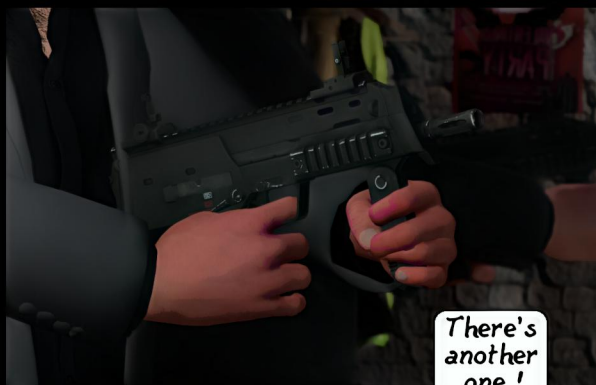

AAHHHHH !!!!!

Forgot about the King ?  
You should have killed me  
when you had the chance !

Why, is it  
too late  
for that ?

Now drop your gun before  
I blow her beautiful face out !

No  
fucking  
way !

Do You think I'm joking, Johnny boy ?

... My name's not  
Johnny !

I told  
you ...

A month later ...

Well, girls,  
I think you  
found a way  
to fight  
boredom...
