

The 14th of February...

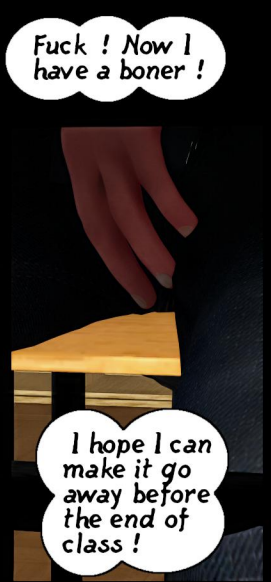

... Ovid studied with the rhetors in Rome and then travelled to Greece, where he used his experience to write *The Metamorphoses*.

Beside that, he wrote many poems about love: *The amores*, *The Art of Love*, *The Cure for Love* ...

She's so hot ... I bet her boobs are amazing...

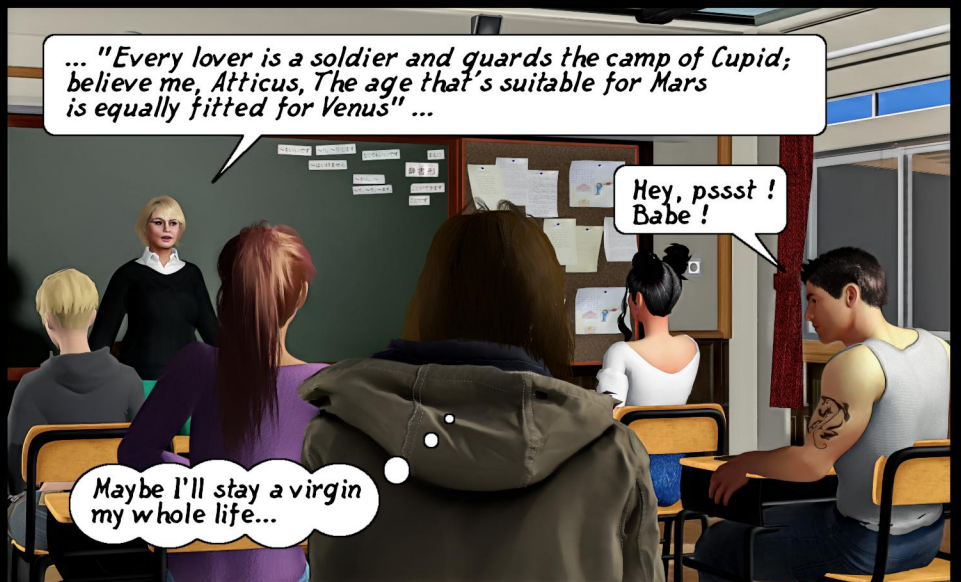

Fuck ! Now I have a boner !

I hope I can make it go away before the end of class !

Almost 20 years old, and I never had sex.

I'm such a loser, fantasizing about my teacher like I'm 12.

... "Every lover is a soldier and guards the camp of Cupid; believe me, Atticus, The age that's suitable for Mars is equally fitted for Venus" ...

Hey, pssst !  
Babe !

Maybe I'll stay a virgin my whole life...

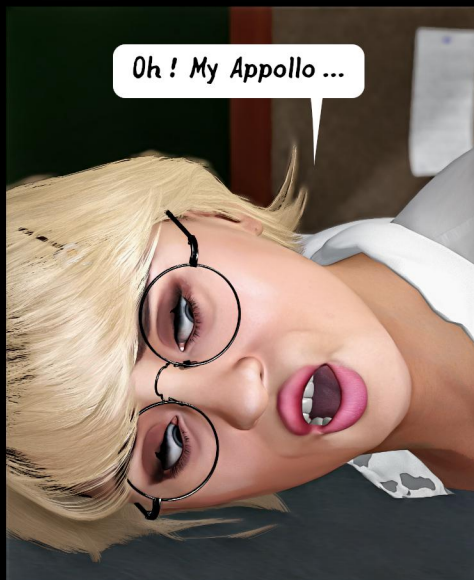

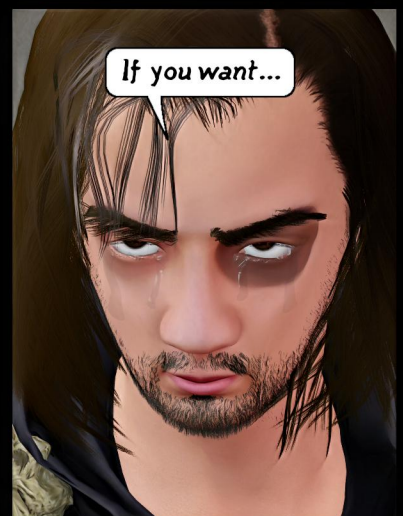

So ! Who did this to your eye ?  
And more importantly,  
Do you want me to kick his ass ?

No ... I deserved it.

Why ?

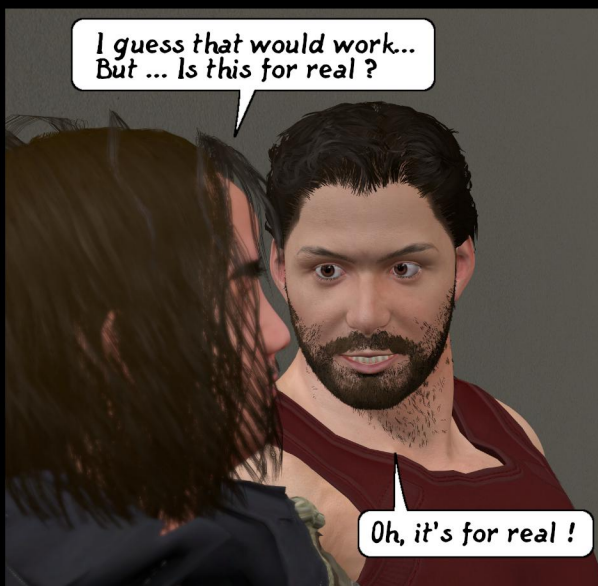

I took a video while he was...  
with his girlfriend ...

Well, that wasn't very clever of you,  
but, still, it doesn't mean you deserve a black eye !

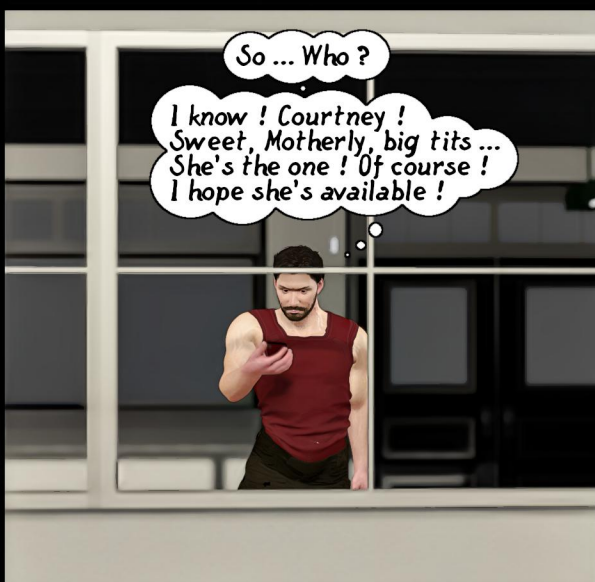

No, it does...  
I wanted to masturbate to it later.  
I'm such a pervert.  
I don't deserve to be loved.  
I'll die alone,  
and every Valentine day is a reminder.

Everyone deserve to be loved.  
I think you just lack confidence.  
I know a lot of girls who would be happy to be with you.

Nobody... Another cruel  
joke at my expense...

... and I fell for it again ...

What an idiot...

I feel like Carrie...

... in Carrie...

... but without the  
psychic powers...

Hey !

Right  
here,  
pretty  
boy !

Here !

Good ! Now,  
let's celebrate !

Whats  
happening ?  
I... don't  
understand...

What do you think, stud ?  
It's your lucky day !

No one should be  
alone, on this  
night of love ...

Yep ! We're  
gonna fuck you  
silly, silly !

Come here ...

Mine are even more comfortable, you'll see !

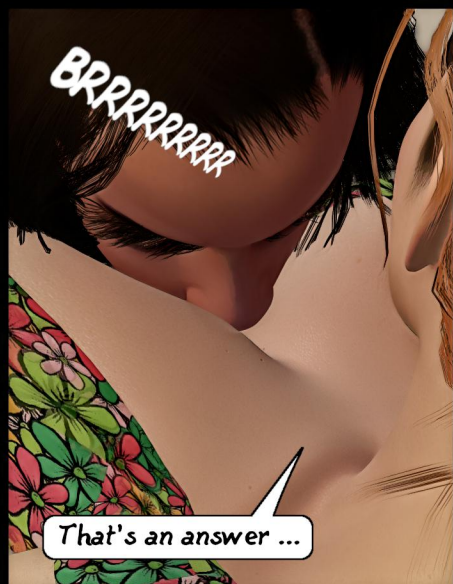

Maybe, but they're all saggy !

Ah ah ! You're jealous of my boobs, I knew it !

In your dreams !

What do you think, boy ?

BRRRRRRRRR

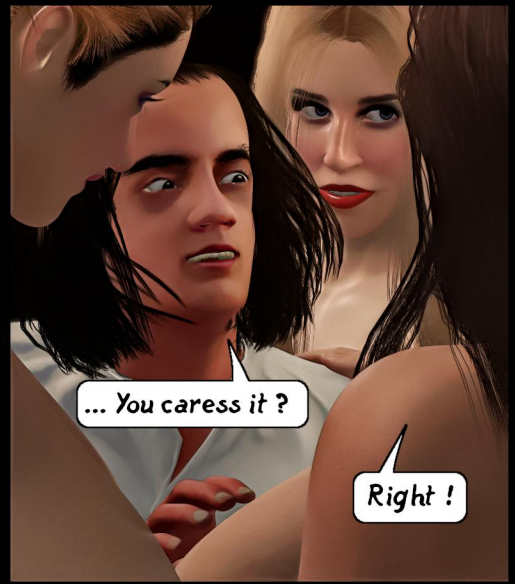

That's an answer ...

Very good,  
Damien ...

Get them  
fingers  
over here !

Faster !

Oh yeah !  
That's it !

Good  
job !  
You  
didn't  
cum !  
I think  
you're  
ready !

Ready  
for ...  
what ?

Ready for putting your dick  
in someone's pussy, silly boy !

*You got this, Stud !*

Ready for round ...  
What is it ? Four ?

Maybe,  
I lost count ...

Oh... Chad,  
we're so  
naughty ...  
What if  
someone  
sees us ?

Thats  
part  
of the  
thrill,  
baby !

Hi guys !  
You came  
to watch  
the show ?

Kiss me,  
stud ...

END**
